

Student Folio Guide

BAMBAPRESS
 Serious about print. Seriously.

Our pricing guide below will give you an indication of the cost of your project. We are by no means the cheapest in the market and nor do we want to be, we partner with professionals who value the craft in what we do. Please note that we have a minimum charge of \$275 plus GST, if this does not work within your budget... No hard feelings, let's work together in the future.

Should the pricing meet your budget, let's chat!
